A: PSIM Professional, the supported version, that comes preinstalled on the author's website, is already in beta, and free, for the moment. You can read more about it at the manufacturer's website. Q: how to add more than one div width in an css attribute in c#? I added some attributes to my Html like this: I am wondering how can I add a bit more than one div width in this attribute of style2.css? A: I think you can add as much width like style.css like this Q: Can the equality be proven for the average of a sequence of positive numbers as in the mean value theorem and the Hölder inequality? Let $(A_n)_{n \geq 1}$ be a sequence of positive real numbers such that $A_{n+1} - A_n \rightarrow 0$ when $n \rightarrow \infty$. Let $M = \lim_{n \rightarrow \infty} \frac{A_n}{n}$, where $n \in \mathbb{N}$, $n \rightarrow \infty$, and $M > 0$. Is it true that $A_n \rightarrow M$ when $n \rightarrow \infty$? Can the equality be proven for the average of a sequence of positive numbers as in the mean value theorem and the Hölder
